

ACKNOWLEDGEMENTS

The CHIP represents a true collaborative effort to address the most crucial health needs in San Antonio and in Bexar County. A special thank you goes out to all of the community partners and members who participated in the CHIP process and the community engagement activities and took the time to share their views, knowledge, expertise, and skills for the planning and development of the CHIP. Below are the participants' names, titles, and organizations listed in alphabetical order by first name. They are grouped by the priority area(s) they supported, or they are listed at the bottom as individuals supporting the overall effort.
